Frequently Asked Questions – Text Message Banking

Q: How do I activate Text Banking?

A: From the blue navigation bar select Additional Services and click Text Banking & Alerts then select the blue Start text banking now hyperlink in the Text Message Banking window. Enter your mobile phone number and click activate.

You will be asked to complete the Mobile Verification Agreement by entering the activation code you received on your mobile number and clicking accept. Once accepted you will receive a message stating that you will now see all your current alerts by text message.

Text message alerts are sent to

?

Mobile Verification Agreement

Within a minute, you'll receive a verification code by text

[Send it again](#)

When you receive it, just type it in

Mobile carriers require us to confirm that you wish to receive text messages from us. To do this, enter the special code we sent you via text. We will send the subscribed alert(s) to the mobile phone number you have provided. Receiving alerts is not a condition of purchase for the Digital Banking service. You agree that we may use Automatic Telephone Dialing Systems to send alerts. Message and data rates may apply. You can stop receiving these alerts by deselecting your choice(s) on the Alerts page or by following the in-message, opt-out instructions.

Do you accept the Mobile Verification Agreement? By selecting Accept, you agree that this agreement is electronically signed. By selecting Decline, your phone number will not be enrolled for alerts.

You will now see all your current alerts by text message. Make changes or add more alerts as you see fit.
