Q: How do I transfer money from one of my Brannen Bank accounts to another?

A: From the blue navigation bar select Move Money and click on Make a Transfer. Complete the requested information on the next screen and select the orange Make transfer button to complete your account transfer.

The screenshot displays the Brannen Bank online banking interface. At the top, a blue navigation bar contains the following links: My Accounts, Bill Pay, Move Money, and Additional Services. The 'Move Money' link is circled in red, and a red arrow points to the 'Make a transfer' option in the dropdown menu. Below the navigation bar, the 'Transfers' section is visible, with options for 'Make a transfer' and 'View Scheduled Transfers'. The main content area shows a list of accounts with their balances:

Below the account list, there is a section titled 'BALANCE TOTALS' showing the 'Total Deposit Accounts' as \$5,425.31. A disclaimer at the bottom states: '**This balance may include overdraft or line of credit funds.'
